- Managing Partners Forum
- International Tax Conference

Connecting our global community

UHY International's global events bring together our vibrant international community and create valuable opportunities for professional exchange. Every year, we host a series of high impact regional conferences, our flagship annual conference, and specialist gatherings such as the Managing Partners Forum; each offering unique value to our member firms.

From May to July - across the Americas, EMEA and Asia Pacific, our **Regional Meetings** provide an essential platform for member firms to discuss market developments, share best practice and explore cross-border opportunities. All our events bring together partners, directors and emerging leaders from around the world.

In October 2026, members will gather in Atlanta, USA, for our **Annual Conference**, enjoying a dynamic programme designed to inspire innovation, celebrate achievements, and foster global collaboration as the UHY network marks its 40th anniversary.

Complementing these major conferences is the **Managing Partners Forum**, a highly regarded leadership event dedicated to supporting senior firm leaders. This forum offers interactive sessions, focused on strategic planning, growth, business development, leadership decision making and practice management.

Together, these events place your business at the heart of a respected global professional community. For sponsors, they offer unparalleled access to influential leaders across our global network and a unique opportunity to align with a respected international brand committed to collaboration, expertise and growth.

Partner Plus sponsorship

We offer progressive discounted rates for organisations sponsoring more than one of our events. The more events you support, the greater the overall value; making it easier to extend your reach, build sustained visibility, and maximise return on investment across our programme.

Build your own sponsorship

Prefer something more tailored? Our pick-and-mix sponsorship option lets you build a bespoke package aligned to your goals and budget.

Working alongside our team, you can select from a range of events, benefits, and visibility opportunities – such as co-hosting a UHY International webinar or sponsoring our external publications like UHY Global or UHY Engage. This allows you to create a tailored sponsorship solution that meets your needs, whether you're targeting a specific audience, focusing on a particular campaign period, or working within a defined budget.

If you're not sure where to start, we're happy to help shape a package around your priorities. Simply get in touch at marketing@uhy.com
